## ABOUT

---

**EntreSkills** is the online entrepreneurial education tool developed by the New York Small Business Development Center (NY SBDC).

EntreSkills will help you discover and visualize a great idea and turn it into a profitable enterprise. It covers all aspects of starting and running a successful business and will guide you as you think through and write your business plan.

The NY SBDC used extensive practical knowledge and skills developed over the past 30 years to create this valuable entrepreneurial education program. All EntreSkills versions contain chapters on starting and running a business; online and print references; entrepreneurial success stories and videos; and an interactive business plan builder. In addition, EntreSkills users have access to the NY SBDC's network of 23 regional centers around New York State as well as NY SBDC created publications.

## ENTRESKILLS VERSIONS

### **EntreSkills for Educators**

**EntreSkills for Educators** was created with the expertise of local business teachers and NY SBDC business advisors. It provides students with an introduction to entrepreneurship and the skills needed to start and operate a business. Educators have the ability to create customized lessons and view students' business plan progress. This program is free for New York State educators.

### **EntreSkills for Entrepreneurs**

**EntreSkills for Entrepreneurs** will help you start and grow your business. Consisting of 16 chapters, a business plan builder, and other resources, EntreSkills for Entrepreneurs covers the basics of what you need to know to achieve small business success. This program is free for clients of the NY SBDC.

### **EntreSkills for Veterans**

**EntreSkills for Veterans** was developed by veterans for veterans, and will help you apply what you learned while in uniform to business ownership. Use it to start a business or improve the performance of an existing business. This program is free for clients of the NY SBDC.
